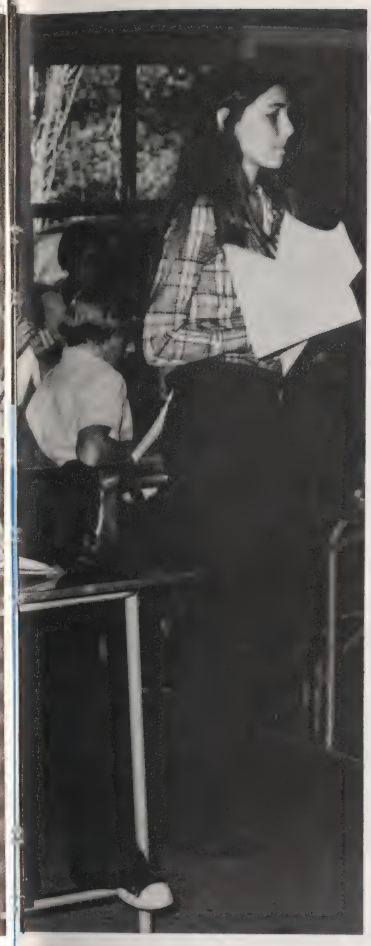
Anticipation

Climbing steadily we come
across a new turn
the familiar mountain
suddenly, has a new experience
just around the bend
For some, the road will be
rocky
For others, it will be
smooth and effortless
Some travelers may lose
their way altogether
But,
For some, this road will
confirm the direction they
will take for the rest of the journey ahead.

Freshmen . . .



Much enthusiasm was shown by the Class of '78 at the various activities in spite of their failure to win major events. (homecoming, float, halls, and skit) However, the class proved to be "spirited rowdies."

Del Valle's First Fall Registration proved to be a great success, but not without its trials and tribulations. First, there was the seniors, some of whom arrived at 5:30 September 2nd, in hopes of finally obtaining their desired courses and teachers for their ultimate year in high school. Then there was the Junior Class, being a bit rambunctious, caused mass confusion and crowding. This madness resulted in the trampling of several of the gardener's favorite bushes just outside the cafeteria. After all this commotion came the sophomores. They simply went through the routine oblivious of the satisfactions and disappointments received from scheduling classes for the first time. Faculty and administration had to rise bright and early for this happy occasion. To their relief, they did not have to face the last minute schedule changes; problems characteristic of the spring registrations of past years. Thus began Del Valle's 1974-75 school year.

1) Lorna McIver and Molly O'Meara confront the P.E. Department. 2) Joie Knight ponders her next years schedule. 3) Ilene Andersen working diligently. 4) Terry Quinlin strikes a thoughtful pose. 5) Kathy Humphreys concentrates on registering as Kelly Garrett looks on. 6) Sophomores await permission to enter gym. 7) Mark Valentine observes Jeanie Taylor's disappointment.

The Girl's League Big-Sister, Little-Sister Dinner tells freshmen what the life of a high school girl is all about. The event starts with dinner provided by the upper classemen. It features intriguing speakers from Girls' League, professional entertainment by D.V. students and inspirational performances by Flag Twirlers, Pom Pon Girls and Cheerleaders. This activity always proves to be fun for one and all.

This year active participants in the event were president of Girls' League, Carol Casey, advisor, Ms. Strack, and Girls' State Representative, Beth Detweiler.

1) Flag twirlers Charlene Loret, Prue Blackmore, Char Hamilton, have indigestion from the colonel's chicken. 2) The gang show their sisterly love. 3) Rod O'Meara seranades. 4) Frosh Sue Gaebe, complains about the food to a companion. 5) Marcia Smith tells Carolyn Fortenbach the history of her unique necklace. 6) The cheerleaders and their little sisters dine by candlelight. 7) Connie Kennedy and Sue Smith discuss the life of a Del Valle senior.

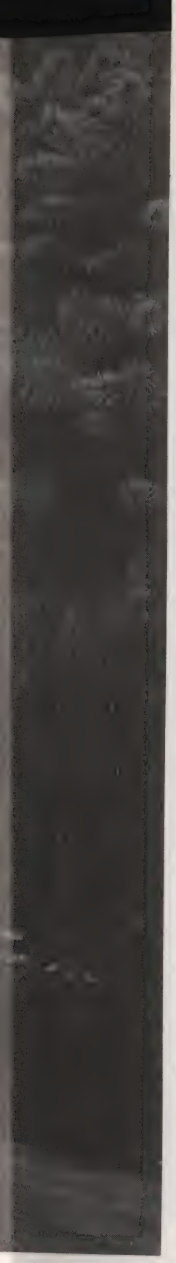
KYM MEADER — Sophomore Princess

JAN BRADBURY — Freshman Princess

RANDY FISCHBACK, LORI BRADBURY — 1974 Homecoming King



and Queen

TERESA STEPHENS — Senior Princess

MIKE L. STOLL — Senior Prince

The 1974 Homecoming

game was the height of the weeks excitement. The crowd was enthusiastic and the football players were looking good. The competators, Miramonte, was slaughtered as the score boards final reading was 14 to 7.

King and Queen nominees made their big appearance before the Homecoming crowd at half-time. Class Princesses Jan Bradbury, Kym Meader, and Jenny McDaniel were present with escorts to represent Freshman, Sophomore and Junior Classes, respectively. Once the procession of club cars and their candidates came to an end, Teresa Stephens and Mike Stoll were crowned Senior Princess and Prince. Lori Bradbury and Randy Fischback were crowned Queen and King.

The 1974 Homecoming Floats illustrated the theme "We Haven't Forgotten Cartoons." This year was a first for restriction of float size and cost. The results were four outstanding exhibits. The Seniors "Pooh Bear" placed first in the annual affair. The Juniors now famous "Flintstone Mobile,' featuring Dino and Fred, came in second. The Sophomores giant, "Tweety Bird," won the heart of every spectator, out placed third, in the competition. Though the Freshman's "Bugs Bunny" took a fourth, their class showed ambition and promise for future floats.

The following day the traditional Homecoming Dance drew multitudes. Students and Alumni, alike, came to rock out to the vibes drawn to a close.

ELF DAY was a take off of the traditional Slave day and was sponsored this year by the Model U.N. Club. Participation was good with a good turn out of elves and bidders. Student Body President, Dan Patterson, auctioneered while a full cafeteria crowd observed. Highly desirable, because of his size, Elf Ned Roscoe, brought one of the highest prices, nearly $9.00.

1) Teresa Stephens hoping she will be sold for a good price. 2) Pam Hallock and Kathy Mills, showing their elf, Ned Roscoe, how to dance. 3) Dan Patterson and Jay Desai looking over Randy Fischback before the sale. 4) Dan Patterson demands higher price.

Night Must Fall proved to be the best mystery thriller Del Valle's drama department has performed. Under the direction of Haden Douglas each character is brought to life. Karen Hansen as the miserette is brought to her end by the psycopathic murder, Kevin Ring. The identity of the murderer was discovered by the inspector, Rob Ward, with the cooperation of Bob Fores as Hubert Lorrie, Dana Curran as Olivia, Tracy Forselles and Julie Voight as two active maids and Cindy Collinson as a flighty nurse. The cast, their props and their theater contributed to the atmosphere which resulted in a successful production.

5

1) Karen Hansen, Julie Voight, Tracy Forselles and Dana Curran search for the story on the recent murder. 2) Kevin Ring charms Tracy Forselles. 3) The director, cast and assistants show their true selves. 4) Kevin delights the people of the household. 5) Julie Voight, the all knowing maid, tells Bob Fores and Dana Curran a thing or two. 6) Dana Curran shows pity for the murder as he is convicted by Rob Ward. 7) Kevin Ring sends a climatic tremor through the theatre.

Pep Rallies stimulated the school spirit of Del Valle's Student Body. Innovative Cheerleaders and Pom Pon Girls portrayed everything from deadbeats to McDonald's employees and designed memorable activities for one and all. Activities included the frosh goop award for superior yelling and a keg of root beer delegated to the seniors for winning the now-famous wheelbarrow relay. In the unforgetable Homecoming Rally, skits were highlighted by the senior athlete processional and the introduction of king and queen candidates.

Consistently, Flag Girls, Flag Twirlers, Majorettes, and Letter Girls participated accompanied by the band. Better participation and attendance at this year's rallies was a direct result of the Cheerleaders and Pom Pon Girl's dedication.

1) Cheerleaders have iron poor blood. 2) Mac's employees perform. 3) Flag Twirlers, Letter Girls and Flag Girls show their spirit. 4) Kevin Nisbet gets gooped. 5) Sophomores give a standing ovation. 6) Ian Olsen and Jay Desai race to the finish in the wheelbarrow race. 7) Janet Napier distributes the kegger to Diane Berger, Marcy Holmstrom and Janine Sategna.

The Soulful Trojans rocked on through Basketball Homecoming. Each day students wore the specified dress which went from blue jeans to clashing clothes to various hats. D.V. showed their true spirit and soul at the end of homecoming week. Halls were decorated by every class and the seniors won the competition with their superbly wall-papering job using newspapers. The soul rally was a big success presenting Del Valle with a soul queen and king. As the week drew to a close, Trojans brought spirit to the homecoming dance featuring Underground Railroad. The Soul king was Dennis Larks and the Soul Queen was Patrice Keddington.

KYA and Donkey Basketball KYA Oneders; this was the first year that we had the KYA Oneders basketball team play our faculty. It was a close game, with a score of 67-68, but our faculty lost. From this game emerged the faculty team "The Highballers." This team will play other faculties in the coming year.

Donkey Basketball; once again brought laughter to Del Valle. The game proved what people have known all along, that girls are the best athletes. The girls' team beat both of the guys' teams, making it an exciting and hilarious evening.

"Dracula, Baby" . . . was the year's musical production. Most of the story takes place in Seward Sanitarium in Transylvania. Doctor Seward (Rick Mickaels) is the owner of the sanitarium, who is trying to protect his ward Lucy (Pam Perkins) from the evil Count Dracula (Bill Schlafke). The Kook (Ted Mills) is in the Sanitarium because he eats spiders. His nurse (Diana Strauch) is pathetically oversexed. Van Helsong (Jim Schmidt) is the "Fighter of things that go bump in the night." Lucy's fiance, Arthur, (Larry Hilton) spends all his time keeping Dracula away from Lucy. The directors were Wally Steele, Marge Stalker, and composer Mrs. Strauch who wrote the music to the show. The Student Director was Jenny Kahn; Stage Manager, Kim Taylor; Costumes, Hillary Lamarche; Lighting, Becky Hoots, and Choreography, Karen Allie.

I saw a man crouched by
the side of the road
His head was bent, his hands
on the ground
I didn't stop to look at him
because there were so many new
sights to see, and so many new
adventures taking place
all around
But then, I thought it odd that
this man should be so discouraged
that he would just stop and
stare at the ground --
there was so much all around
to look at

I went to ask him what was in
his thoughts that he would
ignore all the wonder around
him
He looked up at me
and smiled
In between his arms
was one
small

SOPHOMORES . . .

Sophomore Class Officers

The Sophomore class officers showed the spirit and enthusiasm that was characteristic of their class. Aside from the usual activities such as homecoming week events and the building of their floats, they sponsored successful concession stands at games and dances. They also sponsored fund-raising activities including a bake sale, car wash, and a bottle drive.

The Big Red Machine stumbled in it's first F.A.L. tilt with the Alhambra Bulldogs, but came back big the following week against the highly touted Acalanes Dons. They picked up momentum in a win against Campolindo but were upset by Las Lomas in a squeaker. The Trojans barely got past Liberty only to be caught off guard by Albany the next week. The team was certainly up for Homecoming, beating Miramonte in an impressive ball game. D.V. played well the next week only to lose to a strong Piedmont team. The Trojans finally came up with a big win in their last stanza against Pacifica.

The Varsity Football squad had the makings of a championship ball club from the start, but lady luck was not with the team this year. Some sixteen Trojans suffered injuries at one time or another during the season. The biggest losses were tackle Mike Tomasco and star quarterback Mitch Pleis who had a lame throwing arm during the year.

In his first year as head coach, Gordon Finn led the team to a 6 win 4 loss record despite his injury prone team. The squad had many individual standouts, including one of the best backfields in the league. Directed by quarterback Mitch Pleis were fullback Chris Haynes and all league halfback selection Randy Mills. On defense Alan Colona, Mark Weeks, Karl Uhrenholt and Scott Meader sparked the big red.

The Co-Champions of the F.A.L.

Del Valle put together its best soccer team in its history. This years team boasted eight returning starters, with the remaining spots filled in by promising younger stars. Hurt by the loss of star Dirk Dekers, coach Klier and the Trojans still managed only one loss until he returned. During the early going of the season, Del Valle took first place at the annual Tracy High School Tournament. Walking away with all-tourney honors as top defensive star was Rob Ward. At the F.A.L. Soccer Cup Championship, Del Valley was upended by the upset minded Acalanes team 2-1 in first period overtime.

Del Valle rolled up big victories over Miramonte 5-1, Acalanes 5-1, and one to insure a tie in the league over Campolindo 1-0. The final league standings ended a tie with Del Valle and Miramonte having identical records of 6-1-3. A playoff scheduled to see which team would go on to the Tournament of Champions was held at St. Marys College. A large turnout from both schools set the scene for this important game. Del Valle jumped out to a quick 2-0 lead, but soon found itself tied 2-2. Controversy erupted as D.V. scored the last goal to make the score 3-2. The Miramonte coach insisted time had run out, and a lengthy argument ensued. The result was that both teams agreed to play again the following day at Campolindo. Through four periods of overtime, the score remained 2-2. Both teams then went into a special penalty kick situation where Miramonte won by one kick. This dramatic and tragic loss ended the teams season with a fine overall record of 13-3-3.

Dominating the All F.A.L. team included D.V. members Dirk Denkers, Rob Ward, Jeff Davy and Sophomore goalie Henry Foulk. Selected to the second team was Gregg Hilderbrand. Honorable mention awards went to Mark Self, Dave Giocoma, and Bob Sherdal.

Frosh Soph Soccer turned in one of its best season records in years. Still plagued by loss of talent to the varsity team, they still managed a respectable finish in league competition. Often they were up against taller and stronger opponents, but through tough defense and fine offense, they proved to be a team of the future.

The 1975 Frosh Soph Soccer Team: Jim Lindquist, Steve LaGrandeur, Jack Denault, Jim Roesling, Mike Cannon, Jack Lehmkuhl, Durr Gruber, Jeff Mason, Mark Bofenkamp, Mike Fletcher, Scott Miller, Greg Walenter, Richard Heiniche, Steve Pulford.

The Cross Country Team had a very successful year under the supervision of Forrest Russell in his first year as coach. With a record of 8 wins 1 loss the Trojans finished the duel meet season tied with Miramonte. Unfortunately, the DV harriers finished a dismal second at the league meet, which gave them second place over all.
Dan Patterson was excellent as usual, finishing the duel season totally unharrassed. Dan's only losses came at the North Coast Division 11 and North Coast Section, where he finished second. He was also selected to the All-Northern California team for his second year. Other outstanding runners were Dennis Kilian, Steve Herzog, Dave See, and Karl Baumgartner.

The Varsity Basketball Team

had a very successful season this year, finishing second in the F.A.L. The Trojans started strong, with good rebounding and the best defense in the league. Del Valle won it's first 7 league games. Then the Trojans suffered back to back loses to powerful Campolindo and Albany teams, both in very close contests. The Trojans played Cardinal Newman High School in a Division II tournament at Santa Rosa, but lost to the top rated team in a squeaker.

The squad had many outstanding individuals with great play by Mitch Pleis, Ron Tveitmoe and Greg Hilderbrand. Mitch Pleis was awarded double honors by being chosen Most Valuable Player for the Trojan team and for the F.A.L. All-League Team.

The Frosh Basketball Team full of hope and ambition, was under the supervision of Mr. Costello. Their overall season mark was 11-7 and they proved to be tough competitors in their league. The teams most gloriful hour was when they defeated first place Capolindo in a thrilling game. Due to a hustling offense and a constantly improving defense, the team offers many high prospects for years to come. This years outstanding players include: John Davis, Gary Sladek and Ted Mills. Ted Mills was voted by his teammates as Most Valuable Player.

THE 1974-75 TROJAN WRESTLING TEAM had it's usual great season this year, finishing third in league dual match competition. The Trojan grapplers came through with a good showing at the league tourney to take a second.

With a smaller team than in past years, especially in the heavyweights, the Trojans had to wrestle very well to compensate for the team's handicap. The Trojans performed well in their dual matches only to be outmuscled by a very strong Pacifica team. They continued to win except for an upset loss to Campolindo in their last match.

The team had many outstanding wrestlers, including four league champions, Dave Giacoma, Lee Noble, Mike Lehmkuhl and Ross Webber. Also placing at league for Del Valle were Keith Christensen and Dave Wheeler.

This Was Definetly a Building Year for the Junior Varsity Wrestling team. These athletes prepare for the tough grind of Varsity competition by apprenticing on this squad for one or two years, depending on ability.

Lacking wrestlers in the heavyweight classes, the J.V. grapplers still posted a fine record in the lower weight divisions. Outstanding wrestlers included Mike Wignot, Bob Wheeler and Steve Holroyd. The Junior Varsity team chose Bob Wheeler as their most valuable wrestler. Look for some of these fine wrestlers in the ranks of varsity status next year.

The squad had many returning men this year and have very good depth. A few of the top individuals on the team are Randy Mills, Wayne Kino and Greg Hilderbrand.

THE LIGHT FOOTED TROJANS were spread pretty thin on the Varsity squad the spring of 75, but the team had quite a few Tracksters in the Frosh-Soph category. The Track season opened up with the usual February and March rains, which made it difficult to build any momentum. Another pleasant distraction was the newly formed Girls' Track Team.

Del Valle continued its dynasty with very strong Distance and pole vault events. Talent-wise the Trojans had two returning League Champions, Dan Patterson in the distance events and Layne Christensen in the pole vault. Dennis Kilian, Mike Farrel, Scott Meader and Bob Helbush are a few of the outstanding individuals on the Varsity Squad. On the Frosh-Soph team Matt Pleis, Matt Angius, Victor Salazar and Jeff Schmeling strengthened the team with their talents.

During 3 set matches, the extra conditioning which Coach Ehrlich insisted on was of great help to the D.V. men and women in finishing off their opponents. The Varsity Swim Team had an excellent season this year. In pre-season, non-league action, the squad won all of its meets. Senior Paul Hallock was the team's star butterflyer. Senior Steve Herzog was strong in freestyle. Loren Winters, Thorney Anderson, and Mike Stoll, all seniors, were powerful contenders in the individual medley, breaststroke, and backstroke, respectively. The Juniors did well also. Three sophomores swam varsity this year. Sophomore Tom Lonzo swam distance for the varsity squad.

The Soph-Frosh squad was very strong even though the team had many rookie swimmers. They placed high in the league standings. Highlighting the Soph-Frosh squad were Sarah Anderson, distance swimmer, and Mike Herzog, sprinter.

The diving team did well in spite of being small in number. Lindy Stalker, a sophomore, was a fine competitor and showed nice technique.

THE 1975 DEL VALLE GOLF TEAM, coached by Harry Innocenti, continued its longtime domination of the F.A.L. The team was led by a powerful senior class including Mark Self, Mark Valentine, Ron Hinck and the always consistent Ted MaCauley. A strong group of underclassmen came out and contributed to the winning season. Hopefully these youngsters will be able to duplicate the seniors' efforts and sustain Del Valle's rich winning tradition in future years.

The Girls' Gymnastic Team

showed advancement in its first year of league competition. Gymnastics was essentially an intermural activity in previous years. This year participation skyrocketed. Girls were divided into novice, beginner and intermediate levels according to their skill. The team competed in a total of eight meets including the Northern California Sectional three Compulsory Meet in late January. For this meet, a select group of highly qualified girls represented Del Valle: Jan Beatie, Moira Acton, Sally Ruggles, Molly O'Meara, Debbie Phipps, and Sandy Hulitsky.

The teams' only setback this season was a lack of advanced participants for intermediate competition This problem was the cause of their defeats. The team records are as follows:

Novice — won 7 and lost 0
Beginner — won 6 and lost 1
Intermediate — won 0 and lost 7
Team scores — won 1 and lost 6

GIRLS' TRACK TEAM has always had a reputation for their small teams but high performance. They participate in high jump, long jump, hurdles, sprints, and long distances. The girls have everyday workouts with the boys' team under the direction of Coach Staley. Last year the team had a total of eight meets, and placed second in the league. This year they are looking forward to the Charlie Eaton Relays. The team joined C.I.F. this year, so they can participate in the state meet if they qualify. With potential and enthusiasm again this year, victory is inevitable.

SOFTBALL was the final girls' sport of the year. For the past two years the D.V. girls' softball team has been league champs in the CCSA league. This year they joined the G.F.A.L. league with high hopes for both the Junior Varsity and Varsity teams. Each team is composed of 13 outstanding players. Each girl has an opportunity to play in the 2 to 3 games a week. Coach Adkerson gives the varsity team hard workouts with results of a good team, and the junior varsity has a new coach this year. The girls participated in the Acalanes tourney last year, and hope for a favorable outcome for the D.V. team in '75.

SPIRIT OF '74 '75

This year the Cheerleaders and Pom Pon Girls experienced a new kind of unity, a spirit of cooperation and enthusiasm that helped to make for a good year. After much fund raising, the group traveled to summer camp where the Pom Pon Girls took first place in songleading and the Varsity and J.V. Cheerleaders placed high in their tough divisions. Del Valle was soon hit with some funky stuff as the Cheerleaders proceeded to "Boogie Down" and "Rock Steady", while the Pom Pon Girls jived to "Taurus" and "Dancing Machine" (traditional cheers and routines were also performed.) Behind the scenes activities included poster painting, skit inventing, rally practicing, pre-game dessert eating, rooter bussing, muscle stretching, and hair frizzing. Trojan athletes had their lockers decorated, pillowcases embroidered, houses T.P.'d, and stomachs filled. Due to outstanding sports teams, school spirit improved this year; by the end of basketball season, even the senior guys were yelling "Heck No" along with the notorious "Rowdy Rooters." Ask any Cheerleader or Pom Pon Girl and she will tell you that it was a lot of work . . . but also a lot of fun!

Experience

The road stretched ahead
    climbing steadily around the
    bend
A juggardness appeared, where
on smoothness we had tread
the road was sharp and rocky
    I felt pain with every step
    Yet,
I marveled at others with feet
    like leather that ne'er flinched
    A river cold and sweet
    babbled soft phrases at my feet
        inviting me to step in, and
        feel its freshness — I did
Oh, so cool
I healed all my wounds
such joy and yet
looking around, I saw,
No one shared my pleasure
To develop a callouse, thought
I, will prevent feelings of
    pain, but also sensations
    of pure pleasure . . .

Band Club

The Del Valle Marching Band continued to be one of the top marching bands in the area. Competing in the band review circuit in the fall and spring quarters, our band earned many honors. Among the reviews in which they competed were the Santa Cruz Band Review, Walnut Festival Parade and the Eukiah and San Mateo Competitions. The band put on a fine set of concerts during the year, with the Band-o-rama and the District Band Festival highlighting their season. After three laborious years, the band finally earned enough money to buy new uniforms. Expected to arrive in May, these uniforms should provide the band with a sparkling new look for next year.

Achieve

Each step brings us closer
Our minds form images
of what we will see at the top
of the mountain
We speak to each other about
our dreams
We can see the top, we run
to reach it

We look around to find
nothing but more mountains
"What is it worth," cried I
thinking back on all the
pain and exhaustion
"Friend," said someone next to me
"The climb is to see further"

Nancy Stroube

And so, we too began in anticipation . . .

Here we have searched for

reasons and answers,

for knowledge and success;

and through our experiences

we have come to know more about

ourselves and the world around us.

And yes, each of us has achieved
something here . . .
something we will each
carry away,
something more than
we each had before.

Senior Class Officers for the Class of 1975

Many long hours were spent in planning and organizing activities for the senior class of '75, and on these pages are the officers who made things happen. No one suspected how much work went on behind the scenes. The seniors captured the first place float award at the Football Homrecoming with their "Pooh Bear" float. The seniors also sponsored a Christmas Dance to raise funds. "Jeans Day" and a pickle eating contest were sponsored by the senior class during Basketball Homecoming, Many people wore their grubbies and Julie Hyde succeeded in wolfing down her juicy pickle first. Basketball Homecoming also saw the Administration Hall completely covered with newspaper by the senior class. Even the men's faculty bathroom was carefully rigged by the seniors in an attempt to get the teachers into the spirit of things! The officers were also responsible for organizing all the big senior events, including the Senior Ball, Graduation, and the Senior All-Nighter. The senior officers truly helped to keep the class of'75 united in their last year at Del Valle.

Del Valle's English Dept. offered a variety of courses this year. Fairly new dimensions in the English Dept. were Bible Lit., Mass Media. Speech, and Creative Writing. These courses provided an outlet for students to improve their skills and take classes which they are interested in.

The Social Studies Dept. gave students an opportunity to express themselves in many assimilation games. This year American History turned out many fine chefs during their Foreign Foods Fair. Seniors experienced a new form of grading which was a contract system. There were many pros and cons with this type grading and it was not used during the second semester.

There was a turnover of biology teachers in the science dept. this year. Mrs. Rosenbomb instructed the fall semester of classes until Mr. Innocenti returned from his two year stay in Australia to take his rightful place in the D.V. science dept. As for the other teachers, Mr. Ellisen continued his use of innovated experiments in Physics, "Big G" continued to perplex the students with his "black box" experiment, Mr. Finn continued his use of "cool" cats for visual aids and Mr. Bruek continued to intrigue the students with his unsurpassed charm.

The Business Department offers students a wide selection of educational opportunities. One type designed to teach students how to get the most out of their money, while the other deals strictly with preparation for office related occupations. There are field trips and guest speakers, as well as actual practice on various types of office machines.

The Language Department is as busy as it is diverse. Each language has various activities throughout the year which was highlighted by a Foreign Language gala at the end of the year. It took place at Del Valle, and each school in the district was represented.

A Cappella directed by Mr. Steele seems to have had both an unusual and enthusiastic year. More students than ever participated, and the result was an excellent quality of sound. They also did well at the all district festival. The band also did extremely well in competition, and played for many school activities. The rest of their time was spent raising 6,000 dollars to pay for their new uniforms.

The Industrial Arts department could not be considered a male chauvinistic organization. Many girls are attempting what were once considered boys classes, and are doing well. The auto shop at Del Valle is one of the best in Northern California. The other phases of the department are of equal excellence as well.

The Art Department offers classes to both the artistic type, and to those students who would like an opportunity to explore the fascinating field of visual experience.
The program ranges from simple projects, to sophisticated prints, paintings, and three-dimensional compositions. They hope to add a new program of photography to next year's classes. This class will cover all aspects of photography, and is designed to help Kids to "paint with a camera."

The Home Economics Department has been extremely active this year. Right after school started, students began on their outfits for the wool contest, and the teachers were there to help. They are not limited, though to sewing. Other students enjoyed the different food classes offered, as well as the nursery class offered second semester.

1) Home Ec. students sample wares. 2) Mrs. Daly takes time out for a chuckle. 3) Mr. Ehrlich, Mrs. Daly, and Mrs. Brewer put final touches on one of their creations. 4) Smiling contest winners model wool outfits. 5) Mr. Teutshel, and Miss Silva check out Home Economics class. 6) Mrs. Brewer demonstrates sample. 7) Winner Kathy Wilson takes time out for a bite to eat.

Ed. Note: Kathy Wilson and Kay Worthing went on to the national contest in San Antonio, Texas in February. They were accompanied by Mrs. Daily and Mrs. Brewer of the Home Ec. Dept. Everyone was thrilled to hear that Kathy took first place in the senior division and a $500 scholarship, while Kay earned a fifth place in the junior division and a $100 bond.

There are two groups of people at Del Valle who's importance many times goes unnoticed are the cooks and the custodians. The cooking staff headed by Marian Luttrell continued to produce nutritious lunches despite the increasing prices of food. The custodians were also very active in keeping the school neat and tidy. Along with their regular duties, they were often asked to set up bleachers for basketball games, unlock doors for students who forgot homework, and clean up after class competitions. The ladies in the office were responsible for keeping everything organized. Their duties include bookkeeping, filing of records, etc. The librarians were also there to keep things going right. Besides their regular duties, they many times had to take time out to babysit the kids in the library. The gardener, Doug Collier kept everything green and beautiful.

1) The gardener, Doug Collier. 2) The cooks, Alyce Robinson, Marian Luttrell, Ruth Lavenroth, and Dorothy Martin. 3) The custodians Tom Hitchen, Head custodian Bill Gordon, Don Esellus, and John Brocca. 4) Office ladies: Mrs. June Anderson, Mrs. Madsen, Mrs. Kolbwey, Mrs. Tronoff, Mrs. Janet Anderson, and Ms. Kennedy. 5) Library assistants Mrs. Sweeney, and Mrs. Abernathy.
